Item No . TF2839 INSTALLATION INSTRUCTIONS

Please read carefully and save these instructions, as you may need them at a later date.

CAUTION

WARNING: Risk of Fire. Consult a qualified electrician to ensure correct branch circuit conductor. Min 90°C supply conductors.
Turn off the main power at the circuit breaker before installing the fixture, in order to prevent possible shock.

GENERAL

All electrical connections must be in accordance with local and National Electrical Code (N.E.C.) standards. If you are unfamiliar with proper electrical wiring connections obtain the services of a qualified electrician.

Remove the fixture and the mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.

ASSEMBLY AND INSTALLATION

1. Place the base (1) in an upright position on the floor.
2. Thread lower pole (2) into base (1) and turn clockwise to tighten.
3. Thread upper fixture (3) into lower pole (2) and turn clockwise to tighten.
4. Raise shade (6) over socket (5) and secure socket ring (7) .
5. Install a 60 watt medium base bulb (not included) into each socket.
6. Adjust the three shades (7) and arms (4) to your desired angle. Plug power cord into an outlet and turn on at the switch.

INSTALLATION IS NOW COMPLETED
