

Morning Mist 3 Light Semi-Flush Mount Gold

From designer Steven Sabados [S&C], the “Morning Mist” Collection is an instant classic. The glassware is so unique in that the bottom is clear but as you reach the top part of the sphere it is plated with a gold semi transparent mirror. The frame is finished in a matte brass. The black wires are all height adjustable. This series has multiple configurations. Model shown is the 3 light semi flush.
