## SPICE OF LIFE HAND PAINTED CANVAS

ITEM #31413

Evoking a mid-century modern style, this abstract artwork on canvas showcases a bold design with a subdued palette. Large brushstrokes are hand painted in neutral shades of white, black, bronze, and gold. The canvas is stretched and attached to wooden stretchers. A golden-bronze gallery frame with mottled brown and black accents completes this piece. Due to the handcrafted nature of this artwork, each piece may have subtle differences. This piece may be hung horizontal or vertical.
