

# HAIKU<sup>®</sup> COASTAL

The world's first and only wet-rated, salt-resistant, and storm-ready outdoor ceiling fan, Haiku Coastal delivers superior performance and uncompromising durability in the saltiest, windiest, warmest, wettest, and wildest environments on earth. The end result? A product and promise no other fan company can make: A nearly unbreakable piece of art that performs like a beast from the sea no matter what Mother Nature has in store.

## KEY FEATURES

- ▶ **Three ultra-durable, fade-resistant airfoils** in matte black or white
- ▶ **Airfoil retention system and fan stabilizer** to prevent damage and wobble in high winds
- ▶ **Handheld remote control and optional mobile app** with seven speed settings for unmatched convenience and comfort
- ▶ **Sealed electronics, LED light, and canopy** with corrosion-resistant stainless steel hardware
- ▶ **Industry-leading 3-year warranty** with salt exposure coverage
- ▶ **Passed Category 5 hurricane wind test**, salt exposure test, dust test, and water spray test

### DIAMETER

**52 INCHES**  
(132 CM)

### MOUNTING

**UNIVERSAL**

### CONTROL

- IR REMOTE - MOBILE APP - 0-10 V  
- BLUETOOTH WALL CONTROL  
- VOICE INTEGRATION

### WARRANTY

**3 YEARS**

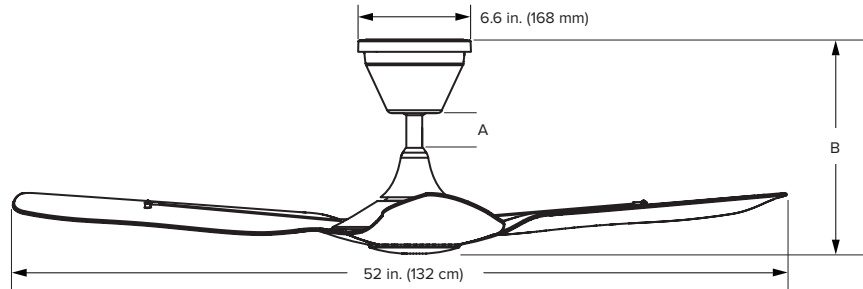

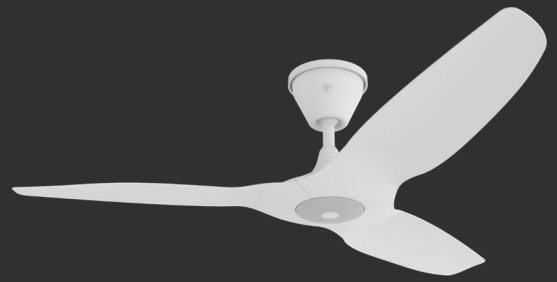

**COMFORT WITHOUT  
COMPROMISE**

## Remote

Lead times may vary. See full warranty for coverage information.

<sup>1</sup> Optional downrod lengths packaged separately. Lengths in inches are rounded to the nearest whole number.  
<sup>2</sup> Wet-rated fans installed in exposed outdoor locations must have fixed/permanent coverage above the fan wiring cover. The included fan stabilizer must be installed. Suitable for salt air environments.  
<sup>3</sup> Actual results of sound measurements in the field may vary due to sound reflective surfaces and environmental conditions.  
<sup>4</sup> Requires a Wi-Fi network. Voice control requires an Amazon Alexa-enabled device or the Google Assistant.
