5 Light Vanity

The sparse structure of the Cubic light fixture marries a rustic, lantern-style with a streamlined industrial look. The metal finish with contrasting corner accents give the Cubic openness that allows the candle-inspired bulbs to be viewed without obstruction.

- 5 E26/Medium 60-watt tubular bulbs (included)
- Natural unstained light oak finish is sealed for protection
- The fired steel finish is manually fired with a blow torch to give a random pattern while the rough grinding and buffing marks give a refined industrial look with slight aurora highlights
