Macati Pedestal

1000-0061

Overall: 36"h x 12"dia

Finish: Natural

Materials: Rope/Wood/Glass

Availability: In Stock

Item Weight: 40 lb

Wrapped in natural rope, the Macati Pedestal is made of wood and topped with a disc of glass. The artistry required to create such a cohesive flow of rope on a piece such as this, particularly given the rope is as fine as it is, takes our artisans a great deal of time to master. Giving the pedestal an implied base by changing the direction of the rope from horizontal to vertical is a smooth move on this textural piece.
