Between its shape and the textural feel of the bottom of the interior of our Robah Small Tray, you'll find any number of places in a room where this decorative accessory will bring a hint of handsomeness. Made of cast aluminum in a mix of graphite and white finishes, the tray is the perfect size to serve as a centerpiece on a table when it is filled with small sculptural accessories or a vase of flowers beside a stack of pretty cocktail napkins. We also offer the Robah in a larger size.
