## Sampson Black Small Bull

1200-0061

Overall: 6"h x 2.5"w x 10.5"d

Finish: Textured Matte Black

Materials: Cast Aluminum

Availability: In Stock

Item Weight: 2.25 lb

With its whimsical shape that could have sprung from the mind of an abstract artist, our Sampson Black Small Bull is a cheeky creature made of cast aluminum that has been treated to a textured matte black finish. The mottled surface brings this decorative sculpture with its implied features an extra dose of charm and the tried-and-true feeling that it was manufactured during a time when souvenirs from across the border were prized possessions. We offer the Sampson in several sizes and finishes.
