Tora Large Vase

1200-0070

Overall: 17.75"h x 13"dia

Finish: White/Blue

Materials: Porcelain

Availability: In Stock

Item Weight: 16.5 lb

Ethereal blue veining flowing across a background of white makes the Tora Large Vase a beautiful decorative accessory for the room that demands sophistication. The rotund porcelain vase that grows beautifully thin at its fluted mouth has been hand-painted by artisans who understand the value of blue and white porcelain, as past generations have been creating it for centuries. But this vase has a contemporary feel that sets it apart. We also offer the Tora in a small version that is equally exquisite.
