Overall: 6.25"h x 2.25"w x 10.75"d

Finish: Textured Silver

Materials: Cast Aluminum

Availability: In Stock

Item Weight: 2.25 lb

With its whimsical shape that could have sprung from the mind of an abstract artist, our Sampson Silver Small Bull is a cheeky creature made of cast aluminum that has been treated to a textured silver finish. The mottled surface brings this decorative sculpture with its implied features an extra dose of charm and the tried-and-true feeling that it was manufactured during a time when souvenirs from across the border were prized possessions. We offer the Sampson in several sizes and finishes.
