Zazu Brass Parrot

1200-0514

Overall: 14.375"h x 7"w x 6"d

Finish: Antique Brass/White

Materials: CAST ALUMINUM/MARBLE

Item Weight: 14 lb

The original of the Zazu Brass Parrot was created by a sculptor. We have re-created the artful profile in cast aluminum in an antique brass finish. The warmth of the luminous finish on the gold bird sculpture contrasts with the block of marble to which it is fastened. A design detail of note is how the bird's tail curves downward to lay flat on the white marble base.
