ITEM WT: 380

PKG WT: 550

### FEATURES:

A true work of art with many functions, the Bohlend Cabinet not only features an interior storage drawer with felt liner, teak veneer surfaces and adjustable tempered glass shelves, but an antiqued mirror back panel and an LED touch light with three-way setting. Its eye-catching design of hand-cut ginkgo leaf marquetry is made of mappa veneer and is perfectly contrasted by the solid teak construction and solid brass hardware.
