X marks the spot when the Verona Chest is introduced into a room. The black beauty with its sexy touch of gold is covered in black lacquered linen that is accented with champagne-finished metal detailing. This chest has so much style, it will be the scene of many a joyous good-nights. Design details include linen-wrapped metal handles, soft-close door hinges, adjustable glides, solid mahogany French dovetail drawer boxes, removable drawer liners and an anti-tip kit. There are a number of pieces in the Verona family of furnishings.
