Hello gorgeous is what everyone will be saying to the Kallista Cabinet with its amped-up personality resulting from the dark sapphire finish enlivening the sycamore veneers on its door fronts! The wood grains bring the cabinet a hint of distressing that is juxtaposed against the sleek lines of the base in an antique brass finish and the glossy caviar black finish on the cabinet's exterior. The door pulls echo the lines in the woodgrain, a slight of hand our designers are so adept at producing. Design details include soft-close door hinges, three adjustable shelves and adjustable glides.
