Overall: 18.25"h x 12"w x 13.75"d

Finish: Off White Glass Mosaic

Materials: Glass Mosaic/Composite

Availability: In Stock

Item Weight: 20 lb

Mimicking the time-worn feel of a treasured antique, the Pagoda Mosaic Hexagonal Table or Stool has an off-white glass mosaic surface that creates a crackled appeal. This handy accent piece, which would be just as perfect in an urban oasis as it would a lake house or a strikingly contemporary setting, will never slack on performing its coffee-time or drink-time duties! What makes it even cleverer is it goes from table to stool in a snap.
