Item Weight: 12 lb

Known for taking symbols from nature and turning them into the most exuberant of motifs, Marjorie Skouras has done it again with the Figuier Drinks Table. The leaves, made of cast aluminum in an antique brass finish with subtle green veining, seem so supple they are surely being stirred by a gentle breeze. Supported on what seems to be slender stem, the table base is made of sturdy iron in a black forged finish that contrasts the glowing top.
