Item Weight: 13 lb

Number of Lights: 2

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 40/80

Known for her ability to render classicism that feels so at home in modern interiors, Bunny Williams designed our Wakefield Wall Sconce with its bands of composite treated to a new gold leaf finish. The wrought iron hardware is hidden by the articulated shape with its complex patina that mimics the sort of age only an antique can perfect. The Wakefield, in our Bunny Williams Collection, is certified for damp locations.
