Watts per Socket / Item: 60/60

The whole is definitely more stylish than the sum of the parts where the Exmoor Wall Sconce is concerned. That's because the wrought iron elements treated to a Hiroshi gray finish are clean-lined and handsome while the seeded glass canister that bulges ever so slightly at the center softens the light glow to give this sconce a feminine flair. Any number of styles will welcome this sconce, which is certified for damp locations. We also offer the Exmoor in a chandelier.
