Availability: In Stock

Item Weight: 3 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E12

Watts per Socket / Item: 60/60

Expanses of bush dotted with natural materials that stretch as far as the eye can see bring an entire continent its notoriety for elemental ways of living. We reference these with our Africa Wall Sconce. Made of wrought iron in a Hiroshi gray finish and natural rattan bands that fasten Arurog reeds in place, circular artistry has been formed with this sconce. Though it may be inspired by dessert climes, it will shine brightly from lake house to beachfront condo, and resorts and spas firmly planted along the coast. We also offer the Africa in a semi-flush and a chandelier.
