Item Weight: 14.5 lb

Number of Lights: 1

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60/60

The niche in any room that calls for a compact luminary will be asking for the Mairin Table Lamp by name. The block of black marble that composes its square body is made to feel nimbler thanks to the stacked plates of metal above and the single-slab base below it. These elements, along with the tall metal finial, have been treated to a satin nickel finish, which contrasts the marble and echoes the hues of the gray linen shade.
