Materials: Optic Crystal/Metal

Availability: In Stock

Item Weight: 11 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 100/100

Diamond-shaped panes of optic crystal are fitted to the metal stem of the Amita Table Lamp to make this a light and airy design. The stacked base of optic crystal holds a more petite square of metal that matches the antique brass finish of the stem. Notice the tall, thin shape of the shade, which adds panache to this design, as does the elongated optic crystal finial that fastens the off-white shantung shade to the lamp.
