Materials: Glass/Metal/Optic Crystal

Availability: In Stock

Item Weight: 15 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

When the Greek gods and heroes passed into the afterlife, their resting place was a paradise after which we've named our Elysian Table Lamp. Life was free from toil and the weather was always beautiful, the perfect climate for growing things to flourish. Mimicking this mythical setting is the attractive pale blue and aqua pattern growing up from the optic crystal base along the painted glass surface of this lamp. The polished nickel hardware and optic crystal finial add to the luminosity of this composition that we've topped with a gray birch silk shade.
