Charla Table Lamp

6000-0445

Overall: 29"h x 17"w x 17"d

Finish: Off White/Gray

Materials: Terracotta

Availability: In Stock

Item Weight: 14 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

If you have ever tried to draw a straight line, you have seen how difficult it can be. Lucky for the artisans who created our Charla Table Lamp, straight lines would have been far too boring. The personality achieved with the off-white and gray treatments hand-applied to the terracotta are the non-uniformity with which the patterns were drawn. Topping it off with a white linen shade was a natural choice given the extra luminosity it brings to the composition.
