## Willemstad Nickel Table Lamp

6000-0452

Overall: 30.75"h x 20"w x 5"d

Finish: Polished Nickel/Black

Materials: Metal/Marble

Availability: In Stock

Item Weight: 11 lb

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 25/50

You will have a devil of a time resisting our Willemstad Nickel Table Lamp with its sharply sexy profile. Made of metal in a polished nickel finish, the v-shaped body of this lamp creates a fascinating silhouette given the metal extends above the rectangular off-white shantung shade. Our talented design team made a smooth move by placing a black marble base beneath this piece, as it grounds the lamp that would otherwise seem to be floating in air! We also offer the Willemstad in an antique brass finish with an optic crystal base.
