Finish: White/Black

Materials: Porcelain

Availability: In Stock

Item Weight: 8 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

An attention to detailing is the hallmark of a great designer. There are several characteristics of note we would like to point out with our Penhurst Table Lamp. Had our design team specified the ring of black lines at the top of the white porcelain body of the lamp without drawing the one bottom line, an opportunity to make this design shine would have been missed. We have topped the tall telescoping column with a black shantung shade.
