Availability: In Stock

Item Weight: 15 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

The flowing quality of the amber crystal glass that makes up the body of the Raquel Table Lamp mimics the fluidity of an elegant ball gown that could have been worn by an enchantress of the big screen. The elongated pyramid of glass sits atop a black optic crystal base that anchors the piece, as does the black shantung drum shade. We treated the metal hardware to a polished nickel finish to ensure that the stunning glass is the focal point of the composition.
