Reeves Desk Lamp

6000-0478

Overall: 21.25"h x 8"w x 27.5"d

Finish: Polished Nickel

Materials: Metal

Availability: In Stock

Item Weight: 13 lb

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 7/7

The Reeves Desk Lamp has its articulated feet in two worlds: the past and the oh-so-stylish present. The scissor arm mechanism was inspired by lighting that hung from the ceilings in factories, notes Barry Goralnick, the lamp's designer. The form is beautifully functional, as it can be extended and retracted, and the stem that holds the scissor mechanism moves up and down. The metal lamp with its sculptural base has been treated to a polished nickel finish.
