Watson Table Lamp

6000-0490

Overall: 32"h x 18"w x 10"d

Finish: Polished Concrete/Aqua/Satin Black

Materials: Concrete/Glass/Wrought Iron

Availability: In Stock

Item Weight: 23.5 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

How do you bring concrete a hint of glint? Slice a slim volume out of it, polish it and insert a strip of aqua glass. These are the moves our design team made with the Watson Table Lamp. The clean-lined body and base made of polished concrete take on added brilliance with the inset aqua glass detail. We treated the wrought iron hardware to a satin black finish and topped the Watson with a rectangular light beige linen shade.
