Availability: In Stock

Item Weight: 11.5 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 100/100

Barry Goralnick designed our Hopper Table Lamp in a mix of brushed brass and oil-rubbed bronze finishes. The sharply defined arm that clasps the angular off-white shantung shade, the pyramid base, the cleanly ornamented finial and the mix of finishes prove this designer's architectural acuity. We also offer the Hopper as a pendant, a floor lamp and a wall sconce.
