Item Weight: 7 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

Like a scepter with a flared base, the very thin stem of our Marvin Table Lamp, which is made of brass in a nickel finish, holds blown glass orbs near its apex like jewels in its own crown. This tall lamp will look so lovely in a stylish boudoir or a formal living room. We topped it with an off-white shantung drum shade above which rises an optic crystal finial for a final nod to pomp and circumstance.
