Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 75/150

In a culture in which the waistline is everything, we bring you our Colee Gray Floor Lamp. It has a lustrous ring of metal in an antique brass finish that connects two elongated pieces of rubber wood in a handsome gray finish to create the perfect midriff. The circular base and the hardware are in the same warm antique brass finish and we've topped this version of the Colee off with an oatmeal linen shade. We also offer it with a mahogany finish.
