Availability: In Stock

Item Weight: 27 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

Our Catena Floor Lamp will be the strongest link in any room's design scheme given the transparency that results from the open chain-link design. Rather than specifying them to be oblong, our design team made them rectangular to bring this lamp a modern feel. The metal from which they are made has been treated to a gold leaf finish. The design rises from a white marble base to culminate in an off-white shantung drum shade.
