Kiowa Floor Lamp

8000-0066

Overall: 53"h x 23.75"w x 31"d

Finish: Satin Black

Materials: Metal

Availability: In Stock

Item Weight: 5 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/60

As simple in its lines as cave drawings made by America's nomadic plains tribes, our Kiowa Floor Lamp will make a big impression with its naïve profile. Imagine it in a lake house, a woodland cabin, a ski chalet or a bayside retreat and you get the picture. But the floor lamp, made of metal in a satin black finish, could also swing industrial chic without any sketchiness. We topped this tripodal profile with an off-white shantung shade.
