Finish: Black Iron/Silver Leaf/Polished Concrete

Materials: Wrought Iron/Concrete

Availability: In Stock

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/60

The most common of materials were used to form the Lotz Floor Lamp. The shepherd's crook-shaped stem and the shade are made of wrought iron that we have treated to a black iron finish, and the weighty base is made of polished concrete. But this industrial chic floor lamp has a refined design note that brings its illumination greater brilliance: the interior of the shade is covered in a silver leaf finish.
