Item Weight: 21 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

Call us suckers for texture here at Currey & Company, as we just can't get enough of the striated surface. Our Lovat Floor Lamp tells on us with its articulated column that alternates between scored sections in dark antique brass divided by rings of matte brass that heightens its sheen. The beige linen shade is the perfect scale and roundness to mimic the lines of the columnar body, and the finial that matches the darker metal is the crowning touch. We also offer the Lovat in a table lamp.
