Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 100/100

Standing upon principles of simplicity, our Keeler Floor Lamp goes from a straightforward block to a basic cone shape that embraces a long thin stem. The materials it is made from are also unpretentious: the metal is cast aluminum in an antique brass finish and iron in a black nickel finish. Topping this study in understated style is a tan shantung shade. From urban enclave to industrial chic loft, this floor lamp will shine!
