Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

The discs that march up the stem of our Provision Floor Lamp provide it with its intriguing personality. The entire composition is made of brass in a nickel finish, which makes this a gleaming statement piece in any space. The roundness of the discs juxtaposed against the square stacked base bring complexity to the design of the lamp, which is topped with a boxy off-white silk shade. We also offer the Provision in a table lamp.
