Suggested Bulb: CA Flame Tip

Socket Type: E12

Watts per Socket / Item: 60/360

The Albion Chandelier is one of our creations that shows off our skill with finishes, the wrought iron fixture so smoothly covered in gesso white that it reads like it has been sculpted from a pliable material. The six-light chandelier is seriously flexible in the number of stylistic notes it can manage, its snowy countenance perfect for rooms as diverse as Hollywood glamour to cleanly contemporary.
