Item Weight: 20 lb

Number of Lights: 6

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/360

Our Denison Rectangular Lantern strikes a cagey silhouette, its hammered wrought-iron frame encasing the glowing bulbs subtly distressed with a Molé black finish. Though this classic shape has stood the test of time to illuminate nearly every room in the home in its various manifestations, our rectangular version has been stretched for a modern feel. It is grand in size compared to the Denison Large and Small lanterns.
