Materials: Wrought Iron/Recycled Glass

Availability: In Stock

Item Weight: 5 lb

Number of Lights: 1

Suggested Bulb: G Globe

Socket Type: E26

Watts per Socket / Item: 60/60

---

The tail of the dragon in medieval times was a ubiquitous pattern that showed up in any number of designs. We've hinted at the heraldic symbol and given it a contemporary bearing on our Foyle Pendant. Made of wrought iron in a mix of antique silver leaf and contemporary gold leaf finishes, the fascinating armature encases and encircles a recycled glass shade. This is a fixture we're tempted to call fairy-tale chic!
