Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60/420

With a personable tiered shade made of large dollops of wood, the Savoirdi Chandelier will project a warm glow in whatever space it is placed. The armature that hooks them to the graduating metal rings slice through the wood to create more interest. The vintage brass finish on the frame and hardware strengthens the heartiness of the illumination wafting from under the handsome teardrop-shaped pendants.
