Number of Lights: 1

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60/60

When simplicity is desired, the Moonward Pendant delivers. Unobtrusive in its design notes when it is switched off, the fixture amps up its presence when the lights are turned on as it emulates a half moon through the bottom of its shade. The metal has been treated to an antique brass finish to enhance the warmth of this bauble that will wax and wane as the rhythm of life illuminates and extinguishes it.
