Socket Type: E12

Watts per Socket / Item: 60/720

The Whitlow Chandelier changes its personality depending upon whether it is fitted with shades or not. For a more traditional feel, the shades are just what the design scheme ordered. Leaving them off accentuates the flowing spidery arms to greater effect. Made of wrought iron that has been treated to a burnt wood finish and wood that has been treated to an antique galvanized finish, this is a graceful creation amongst our chandeliers.
