Item Weight: 10 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/60

Like a lush, beautiful tassel made by a fine purveyor of passementerie, our Hadley Pendant looks as if it is swishing but the wrought iron and composite from which it is made, both in a gesso white finish, are far too resolute to flutter in a breeze. But this won't keep it from being a brilliant bauble floating above any room in which it is placed. We also offer the Hadley as a chandelier and a semi-flush.
