Materials: Glass/Metal

Availability: In Stock

Item Weight: 7 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 25/25

We at Currey & Company take great pride in our ability to create artistry in glass. The Leona Pendant is an example, the textured blue glass it is made of glowing beautifully when it is lit from within. While the glass was cooling from its molten state, our artisans scraped textured stripes into its surface to create this stunning fixture. We treated the metal hardware and chain to an antique nickel finish so as to keep this pendant feeling ethereal.
