Finish: Bronze/Gold

Materials: Aluminum

Availability: In Stock

Item Weight: 5 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/60

The brute strength emitted from our Pursley Pendant is as powerful as the light escaping from the organically shaped punctures in its orb shade. Made of aluminum, our design team kept the exterior handsome by treating it to a bronze finish and made the interior luminous by slathering it in a bright gold finish. This fixture would be a fabulous fit for the masculine lair or an urban loft with an edgy rough luxe aesthetic. We also offer the Pursley as a chandelier.
