Shade: Antique Brass/Frosted Glass
Shade Dimensions: 5.5" x 6"h

When a soft glow is desired, milk glass is one of the best materials to diffuse illumination. Our Daze Round 15-Light Multi-Drop Pendant is made of articulated panels of white milk glass that are joined together by ribs of metal in an antique brass finish. This brass and white multi-drop pendant, which joins a number of fixtures in the Daze family designed by Clarence Mallari, will turn luminous when it is switched on.
