### FEATURES

Transform any patio heater into a smart device with the Eurofase Heating Smart Wi-Fi Controller! Effortlessly switch your heaters on or off, toggle high/low settings on dual element heaters, and set a timer using your iPhone or Android device. Whether it's a new installation or a retrofit, the Eurofase Wi-Fi Controller adds convenience to your outdoor heating experience.

To ensure optimized safety, the hardware includes a built-in auto shut-off feature set to activate after 4 hours of use.
