

# Glass Installation Instructions

A33

For fixtures with flat glass panels

---

**Caution:** Do not exceed maximum wattage noted on fixture. Use only recommended bulbs with fixture.

## To Install Glass

1. Insert four small glass panels (A) into the slots in the upper tier of the fixture, centering the panels side to side.
2. Slide large glass panel (C) into slot in bottom tier of fixture, on top of steel bars.
3. Drop steel bar (B) into slots at corners of bottom tier of fixture to secure glass.

*If you need further assistance, or find that you are missing any parts, please contact the dealer from which you purchased this product. We hope you enjoy your fixture!*
