

Legrand
adorne® Motion Sensor Switch Auto On/Off
Part No. AS0S32M4

Perfect for pantries, garages, and anywhere you might want lights to turn on automatically when you enter a room, and turn off again when you leave. The Auto-On/Auto-Off SensaSwitch provides convenient lighting control by responding to your presence through motion-sensing technology. Use the device on its own to control a light or fixture from a single location, or pair with additional switches or dimmers to control a single light source from multiple locations in 3 or 4-way applications. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation. Features motion-sensing technology for automatic on/off lighting control.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
